

**NEDBANK
ESTON SHOW
29-30
AUGUST 2015**
THE SWEETEST SHOW ON EARTH

Chairman's Message

This year see's the running of the 61st year of the Nedbank Eston Show, hosted by the Beaumont Farmers Association and sponsored once again by Nedbank. Nedbank have been loyal title sponsors of the show since 2009. Their continued support and generosity towards the show, as well as the community, for that matter certainly don't go unnoticed. A huge thank you must go to Barry Philip and his team who have worked tirelessly in putting together this year's show..... Keeping this in mind Barry has assured me that Nedbank's loyalty and commitment towards the show will remain for at least a few more years.

A few minor adjustments to this year's show have taken place, the Arts and Craft marquee has been moved back to its original position on the South Side of the show grounds as well as the building of the permanent ablution facilities, for this, one must thank BEFA for this new improvement to the show ground.

Being an Agricultural show, the Nedbank Eston Show is primarily designed for those businesses in the agricultural sector to show off their products and services to the farmers and the local communities, however, a considerable amount of effort has been placed in the past few years to make the Nedbank Eston Show an occasion for the whole family, with the Craft and Flea market, Antique style market, all day entertainment in the main arena as well as an entire action packed sports field dedicated to children's entertainment and not to mention great food as well as beer and tea gardens. Once again, there will be great live entertainment on Saturday and Sunday, with live bands playing in the beer garden and "*Cat like Thieves*" playing on Saturday evening. This year, instead of the ever popular fashion show, the Eston locals will be acting in a few numbers from their recent production "*Rock Circus*" –NOT to be missed.....Have a look at our website www.theestonshow.co.za for the full entertainment schedule.

The social bike ride will take place once again this year, with each bike entry receiving a complimentary ticket to enter the show, please support this initiative by bringing along your family to enjoy the day with us. The official opening and prize giving will take place on Friday 28th August at 18h30 in the main marquee, with guest speakers from Nedbank Business Banking.

The Nedbank Eston Show finds itself conveniently situated between Pietermaritzburg (20min drive) and Durban (45min drive) along the R603.

Come join us for a fun filled weekend for all!!!
